ANNOUNCEMENTS

* 16468

Sweden. not area bound. A Merry Christmas and a Happy New Year!

The Swedish Maritime Administration would like to thank all of you who over the past year have provided information which have resulted in Notices to Mariners and/or corrections to charts and ENC's!

We also want to thank all of you who use the Swedish Maritime Administration's products and have studied the information in Swedish NtM and also special thanks to those who have provided comments and suggestions for the improvement of our products.

We are looking forward to continued good cooperation in the coming year!

Dredging of fairways.

Chart: 111, 113, 1131, 1133

Expired notices: 2021:867/16039(T), 2021:870/16092(T), 2021:871/16106(T), 2021:871/16107(T), 2021:871/16108(T)

Time: Until further notice

Extensive dredging work is being conducted in major fairways in lake Mälaren from Oknön to Västerås and Köping.

Buoyage, lights and other aids to navigation may be changed, and soundings may vary from what is presented in charts.

For more information about the dredging works, visit: <https://www.sjofartsverket.se/sv/farledsprojekt/malarfarlederna/>, or contact 'VTS Södertälje', VHF channel 68, or by telephone +46(0)771-630675.

Please note that specific details about the dredging operation will not be published in Notice to Mariners. The Swedish Maritime Administration refers to the website listed above.
